

BIG SCORES, NOT SNORES

SAT & PSAT TEST SCORES ELEVATED WITH SHMOOP

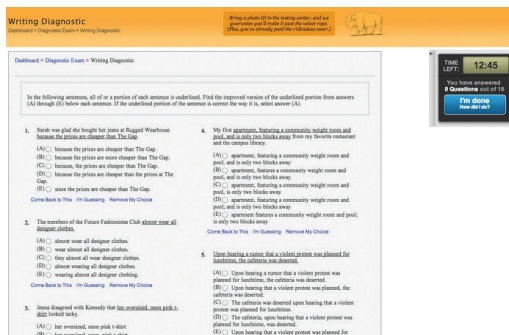

- ★ Written by oddball academics from Harvard and Stanford with a great sense of humor.
- ★ Interactive. Timed. Immediate feedback and explanations
- ★ Full-length practice exams
- ★ Analytics dashboards for teachers and students

WHAT'S INSIDE MATH SHACK (SAT ONLY)

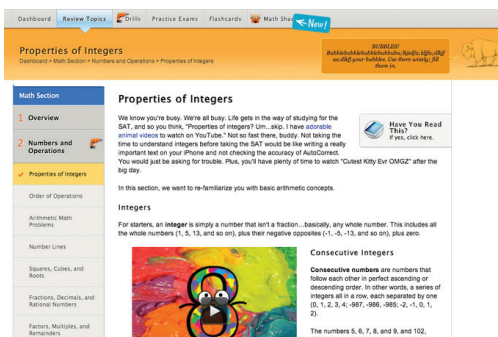

An interactive game that auto-generates thousands of problems for those in dire need of SAT math help.

DIAGNOSTIC TESTS

Like a doctor that diagnoses your strengths & weaknesses, Shmoop determines how healthy or sick you are... in terms of the test, that is.

REVIEW TOPICS & DRILLS

Way more fun than the drills used in a root canal, our problem sets predict scores and links back to helpful review topics.

VOCABULARY & FLASH CARDS

abacus

noun

Definition: Ancient measuring tool used for calculations

Memory Trick:

Abby used her abacus to count the many ways she loved Gus.

See it in Action:

- A and B are letters 1 and 2 (or, first and second) in the alphabet. An abacus lets you add 1 and 2.
- Ahs are your stomach muscles and if you don't count your calories properly with a calculating device or abacus, you will cuss.
- Lushin cashed some checks in the morning and is now counting all his money in front of Andrey Semynovitch, using an abacus. (from Shmoop's Crime and Punishment Learning Guide)

Word, definition, repeat.. Create an infinite number of flashcards so you keep flipping your way to vocab mastery.

NUMBERS AND AWARDS THAT MAKE US BLUSH

Best in tech 2010 & 2011

- ➔ 20M+ pageviews/month
- ➔ 7M+ unique visitors/month
- ➔ Thousands of schools use Shmoop
- ➔ 2K+ schools and districts license Shmoop Test Prep products

“I'm sold on anything that helps teachers be more efficient and creative. It makes learning relevant and engaging for 21st century students. I've had students tell me that they spent hours on Shmoop, sometimes exploring subjects that weren't even part of their coursework, because it is just so darn enjoyable”

- Kelly Benning, Librarian Chaminade College Preparatory High School
